

North American Nature Photography Association Magazine Descriptions

Take Advantage of Substantial NANPA Member Discounts On Industry Periodicals

Discounts vary by publication, however ALL subscriptions are discounted below retail rates.

American Photo

6 issues/year

American PHOTO is the premier showcase for outstanding photography. A reflection of contemporary culture through the camera's lens, it inspires professionals and sophisticated amateurs alike with its coverage of art, fashion, journalism celebrity, sports, politics and advertising. *American PHOTO* is a stunning visual commentary on our world, featuring masters of photography among others. Each issue also includes technical data on the featured images as well as the behind-the-scenes anecdotes that relate to the shot.

Nature Photographer

4 issues/year

www.naturephotographermag.com

Nature Photographer is a quarterly "how-to" nature photography magazine. Articles run the gamut from basic to advanced, traditional image making to digital darkroom techniques and commentary photographs to abstract images. *Nature Photographer* offers you the unique opportunity to enhance your techniques through a variety of articles targeting all aspects of nature photography. Articles feature the work of Editors and Field Contributors. Exquisite images made by Field Contributors are showcased in each quarterly issue.

There are three subscription levels – Level 1, Level 2, and Level 3. If you have questions about Level 2 (First Class mailing of your copies of the magazine) or Level 3 (Field Contributor membership subscription), please contact Helen or Evamarie at 617.847.0091 or nature_photographer@yahoo.com.

Nature's Best Magazine

4 issues/year

www.NaturesBestMagazine.com

Nature's Best magazine is an award-winning, 100-page, high production quality publication that showcases the very best nature imagery from photographers around the world. Wildlife, landscapes, personal adventures, natural history information, conservation news and more. Year's subscription includes the Collector's Edition featuring the winning images from the annual Nature's Best Photography Awards, held in alliance with the Smithsonian National Museum of Natural History. *Nature's Best* magazine is the flagship publication for the Nature's Best Foundation that was created to inspire a better understanding and stewardship of the natural world through photographic documentation.

Outdoor Photographer Magazine

11 issues/year

<http://www.outdoorphotographer.com/>

Outdoor Photographer is written by the world's leading landscape, wildlife, sports and travel photographers. Every issue features advice that you can put to immediate use to improve your own photography as well as evaluations of the latest equipment and portfolios of stunning photography.

Popular Photography

Monthly (12 issues / year)

<http://www.popphoto.com/>

Popular Photography is the world's largest imaging magazine, with an editorial staff twice the size of its nearest competitor. Famed for its comprehensive coverage of the latest equipment, inspiring images by leading photographers, in-depth how-to articles and authoritative test reports, *Popular Photography* draws upon top professionals in the field to inform committed readers who are passionate about pictures.
